A. Summary of Changes

The purpose of Action Plan Amendment 18 is to clarify the administration and distribution of funds of the Piggyback Program. Action Plan Amendment 7, in addressing changes in the budget of the Piggyback Program, referenced that the State would implement the program through The Louisiana Housing Corporation (LHC). While the Office of Community Development has partnered with the LHC and entered sub-grants with LHC, implementation by the State will not be exclusively through LHC. Additionally, the award of loans to qualifying developments are primarily the competitive processes, but limited non-competitive loans may be issued under policies developed by OCD. Per the state's Master Action Plan, this Amendment is considered non-substantial as it does not change the benefit or eligibility criteria, add or delete an activity, or reallocate more than \$5,000,000.
